Thriving through Innovation and Partnerships

Ihab Ghaly

Ihab Ghaly established G&M Health, LLC in 2009 to be the premier provider of innovative, quality, efficient and compliance oriented solutions for the healthcare industry.

G&M Health, LLC ("G&M") is a health and life-science service company offering compliance management services, computer validation, project management, audits & assessments, training and regulatory support services. G&M was founded by recognized legal and regulatory compliance experts in the healthcare industry, who over the last 20 years have worked with and/or advised almost every pharmaceutical and biotech company in the industry.

Prior to establishing G&M, Ihab held a position as a Senior Vice President Quality, Regulatory and Sampling and was a member of the Senior Executive Team at J.Knipper and Company a leader in the Direct Marketing Industry. In this role he led the PDMA business segment as well as HIPAA compliance initiatives. He also heads the Sample Accountability, Quality Assurance and System Validation Departments. Previously Ihab has served as head of Regulatory Affairs and Quality Assurance at McKesson Corporation where he was responsible for three divisions within McKesson Health Solutions.

He has over 20 years managerial experience in Sales/Marketing, Import/Export, and Regulatory/QA as well as experience in Regulated Industries since 1991 dealing with U.S Customs, FDA, Agriculture, Fish & Wild Life and DEA.

Ihab holds an MBA from Rowan University and is a member of New Jersey Pharmaceutical Quality Control Association and Regulatory Affairs Professionals Association (RAPS).
