

# 2016 Synergistix Users Conference INNOVATION THROUGH COLLABORATION

## **Jason Rosemurgy**

Jason Rosemurgy serves as the Vice President of Sales & Marketing at Terso Solutions. He is responsible for all new business development, customer satisfaction and strategic partnership initiatives for Terso. Jason has strengthened the management team at Terso through his exceptional leadership abilities, as well as his strength and experience in account management and new business development.

Under Jason's leadership, Terso has grown significantly in revenue and market share and has been recognized as a global leader in RFID solutions and innovative technologies in the healthcare supply chain market.

Prior to joining Terso in 2009, Jason personally owned and operated a commercial business enterprise, and was responsible for the day-to-day operations and all aspects of profitability. During this time, Jason led the company to exponential increases in both sales volumes and revenues.

Also prior to joining the Terso team, Jason served as an account executive for IBM/Lexmark, and was recognized for numerous sales and leadership initiatives.

Jason earned a Bachelors degree in Business Administration from the University of Notre Dame.
