

# 2016 Synergistix Users Conference INNOVATION THROUGH COLLABORATION

## **Mike Juszczuk**

Mike is the VP of Operations for Stayma Consulting specializing in the commercialization of pharmaceutical products for emerging pharma companies. He currently manages the sales operations for 3 different companies, with a primary focus on managing vendor partners.

Mike has worked in the Pharmaceutical industry for over 22 years. During this time he has worked with 6 different small to medium sized pharma companies. His specialty is with “start up” or “emerging” companies where he has developed and set up the infrastructure necessary to support fully functional pharmaceutical sales teams.

Mike has been a speaker at the PDMA, CBI and the highly prestigious SDS Users Conference. He graduated with a BS in Physical Education from Colorado State University.
