

Nancy Kincheloe

Nancy Kincheloe is the Manager of Sample Compliance at AbbVie, Inc. and is responsible for activities related to the general topics of policies and procedures, training, and audits in support of Home Office and Field Sales personnel. She has over 30 years of Pharma experience. Prior to AbbVie, she worked at Abbott Laboratories and TAP Pharmaceuticals Inc. in Sample Operations as well as in R&D, Medical Affairs, Reimbursement Services, and Home Care.

Nancy continues to serve as the Sample Operations point-of-contact for external regulatory inspections conducted each year for the last five years and is proud of the successful results for each inspection. Additionally, she has assumed the leadership role for Sample Operations on several occasions during vacancies in the department's Sr. Manager position.

Nancy previously served on the Prescription Drug Marketing Act (PDMA) Alliance Board and continues to remain active in discussions related to sample compliance best practices.

Nancy received an MBA from Keller Graduate School of Management in Chicago, IL in 1988 and a Bachelor of Science in Nursing from Illinois Wesleyan University in 1978. She remains actively licensed as a Registered Nurse. She is married and is very proud to be the mother of a 22-year-old son.
