**Sunrise, FL – April 19, 2018** – [Synergistix](http://www.synergistix.com), Inc. has been awarded a 2018 Top Workplaces honor by The Sun Sentinel. The list is based solely on employee feedback gathered through a third-party survey administered by research partner [Energage](http://www.energage.com), LLC (formerly WorkplaceDynamics), a leading provider of technology-based employee engagement tools. The anonymous survey measures several aspects of workplace culture, including alignment, execution, and connection, just to name a few.

Their leaders prioritize and carefully craft a healthy workplace culture that supports employee engagement.”

“I am thankful for the amazing team and culture we have been able to build at Synergistix, and are thrilled to be a winner of the South Florida 2018 Top Workplaces Award,” said Don Schenker, President and CEO of Synergistix. “Each and every team member is responsible for our company’s success and partnership, with our customers as well as our internal and external partners.”

“Becoming a Top Workplace isn’t something organizations can buy,” Claffey said. “It’s an achievement organizations have worked for and a distinction that gives them a competitive advantage. It’s a big deal.”
